ACAM Mission: To provide social purpose ministries with a professional forum to strengthen their capacity to fulfill their mission

➢ **Vision:** The vision for ACAM is the continual development of a dynamic, high-performing network of social purpose ministries, funders and community partners who, through synergistic alliances, will effect change for those in need.

➢ ACAM Members envision ACAM membership to mean that they are recognized as:
  - The premier and expert providers of basic needs services
  - Organizations that hold themselves to a higher standard
  - Community partners who mentor fellow ACAM members to benefit the network and the community

Capacity Building

• ACAM helps its members to become stronger and more sustainable because *increased capacity results in the increased ability to serve more people in need*. ACAM provides organizational assessments to identify strengths and weaknesses, assists members in creating growth plans and awards grants for plan implementation.

• ACAM **fosters collaboration** to increase efficiency and to enhance current programs or introduce new programs.

Capacity Building Measures

• The CapMap® is an assessment tool from which ACAM chose four dimensions of organizational capacity: Board Governance, Financial Management, Fund Development and Human Resources/Staff Development.

• Ministry leaders designed projects utilizing the information gained through the CapMap® process regarding the critical competencies necessary for their organization to achieve greater sustainability.

Food Insecurity Issues

ACAM responded to members’ concerns surrounding food pantry shortages, which resulted in a coordinated response to the problem.

The benefits from this action include:

- Targeted funding to address the immediate need
- Identifying core service issues
- Quantifying scope
- Helping develop community-wide solutions to addressing basic needs

B-NAP allowed 11 ministries to gain funds for food shortage and homeless prevention program enhancements, totaling $430,000.
HPRP: ACAM’s Role

- Draft and submit a joint proposal
- Create and train on the use of fiscal and program documents required to run the homeless prevention program in accordance with guidelines
- Collaboratively develop a standardized case management record
- Coordinate site visits and conduct program and fiscal reviews in preparation for outside audit
- Act as the lead in informing and engaging the community regarding the Homeless Prevention and Rapid Re-Housing Program (HPRP)
- Coordinate ancillary services such as housing inspections, housing search, and credit/budgeting classes for clients served by the assistance ministries.
- Draft and submit monthly, quarterly and annual performance reports to the State of Texas
ACAM continued its effort to promote and expand CAMs’ role in the prevention of homelessness and identified related strategies:

- Added a Homeless Prevention Coordinator to ACAM staff
- Obtained HPRP funding with noted client outcomes (to date):
  - Secured or maintained housing for 589 individuals (or 190 households) that would otherwise be eminently at risk of or completely homeless.
  - Overall, 87% of households were stably housed upon exit from our program.
- Participation in the Coalition for the Homeless Best Practices Evaluation Project

HPRP as of Dec. 31, 2010
Initial Homeless Prevention Costs

As of March 31, 2010, the ACAM Collaborative HPRP has served 759 unduplicated people/253 unduplicated households. Of the $998,000 two-year contract, the ACAM Collaborative has spent $729,185 (73%) of the HPRP funds.

- $2,882 - The grand total cost per household/case including all services such as case management, outreach, direct assistance, credit and budgeting classes, housing inspections, data analysis etc... (this includes a match for administration of 7.5% as HPRP only allows 2.5% for administration)

- $1,858 - The cost per household/case of direct financial assistance is 64% of the total cost: rent, utilities, moving costs, hotel costs etc...
