Homelessness Prevention Services Request for Proposals (RFP)

SUMMARY

Alliance of Community Assistance Ministries, Inc (“ACAM”) seeks a qualified contractor to assist **ACAM** in the installation of appropriate measures under the **Homelessness Prevention Service** grant(s) (ESG-CARES) awarded through the Texas Department of Housing and Community Affairs (TDHCA) to prevent, prepare for, and respond to the coronavirus among individuals and families who are at risk of homelessness and to mitigate the impact created by coronavirus. Respondents must include the following required services:

I. Statement of Qualifications

A competent contractor will possess experience administering federally funded housing projects. Proposals must disclose past clients, types of programs administered, and résumés of all employees who might provide services under the winning contract.

II. Scope of Work

ACAM is a **nonprofit** organization that advances collaboration to create community-wide solutions for thriving nonprofits, neighborhoods, and families in Harris/Fort Bend/Montgomery counties. The Homelessness Prevention Program provides case management, financial and rental assistance, and other wraparound services to people that face imminent risk of eviction and lack the resources needed to remain stably housed. Proposers must describe tasks they would perform to comply with the above administrative duties.

III. Proposed Cost of Services

Your proposal must include your estimated cost for each activity identified in the Scope of Work. **ACAM** will not use lowest cost as the sole basis for selecting the best bid for this contract.

A. PURPOSE

The Alliance of Community Assistance Ministries, Inc. seeks up to three (3) Contracting agencies to provide homelessness prevention services to families at imminent risk of homelessness. The Emergency Solutions Grant (ESG-CARES) Program [CFDA# 14.231](#) is funded by the United States Department of Housing and Urban Development (HUD) through the Texas Department of Housing and Community Affairs (TDHCA) Contract No. **43207000043**. The objective of the Request for Proposal (RFP) process is to receive from each interested Homelessness Prevention vendor, a formal response to the Statement of Work (SOW) outlined in this RFP to identify the most qualified contractor(s) to provide homelessness prevention services including short- and medium-term tenant based rental assistance, financial assistance, and housing and relocation stabilization “case management” services to eligible families at imminent risk of homelessness. The submitted proposal will be used to evaluate each contractor’s experience, capabilities, and qualifications to provide services that meet the needs of at-risk families. Alliance of Community Assistance Ministries, Inc. (“ACAM”) is seeking up to three (3) organizations that serve clients at imminent risk of homelessness and that provide rent and utility assistance coupled with housing stabilization services in the course of normal business within the Harris, Fort Bend,

Homelessness Prevention Services Request for Proposals (RFP)

and/or Montgomery Counties. The offerors must include 1) targets for the number of clients and estimated number of households it proposes to serve, 2) demonstrate capacity to assist families in achieving housing stability and 3) and satisfy the requirements as outlined in this RFP. Please review the RFP timeline. Responses to questions about the application process will be posted to ACAM's website on the release date (<https://acamweb.org/funding-vendor-opportunities/>).

The objective of this RFP is to locate a source that will provide the best overall value to ACAM. While price is a factor, other criteria will form the basis of the decision. ACAM reserves the right to amend, suspend, terminate, or reissue this RFP, in whole or in part, at any stage. In no event is ACAM liable to respondents for any cost or damages incurred in connection with the RFP process, including but not limited to, all costs of preparing a response to this RFP, or any other costs incurred in reliance on this RFP. No respondent shall be entitled to repayment from ACAM for any costs, expenses, or fees related to this RFP. All supporting documentation submitted in response to this RFP will become the property of ACAM. Respondents may also withdraw their interest in the RFP, in writing, at any point in time, as more information becomes known.

B. START DATE AND CONTRACT TERM

The Alliance of Community Assistance Ministries, Inc. (ACAM) hereby requests proposals from offerors to perform homelessness prevention services, as described in the RFP, for a one-year period, with the potential of being extended up to **four (4)** years. Contract may be renewed for subsequent time periods by mutual written agreement not to exceed four (4) years. The one-year period is expected to begin **August 1, 2020** depending on the date of funding availability. We invite organizations to submit a proposal by **Monday, July 20, 2020, by 12:00 pm**, for consideration. Proposals will be held in confidence and not released in any manner until after the contract(s) are awarded. Payments on contract(s) will be made on a reimbursement basis. The contract amount agreed upon by ACAM and the respective contractor will provide compensation for services and allowable direct service expenses. A payment schedule will be negotiated with selected contractor(s). ACAM reserve the right to offer a contract award greater or less than the amount requested in the proposal.

C. GOALS

ACAM's goal is to serve 100 people residing in Harris, Fort Bend, and/or Montgomery Counties. Offerors must submit a budget that indicates how funds will be spent on allowable services. ESG CARES and HUD Waivers

ESG Homelessness Prevention Program Procedure Update

Emergency Solutions Grant – CARES (ESG-CARES) – The Coronavirus Aid, Relief, and Economic Security Act of 2020 (CARES Act) provided for a supplemental appropriation of Homeless Assistance Grants under the Emergency Solutions Grant (ESG) as authorized by McKinney-Vento Homeless Assistance Act of 1987 (P.L. 100-77), as amended by the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 (P.L. 111-22) (42 U.S.C.S. §11371 et. seq.).

The CARES Act provides for allocations of homeless assistance funds to prevent, prepare for, and respond to coronavirus, among individuals and families to support additional homelessness prevention activities to mitigate the impacts created by coronavirus. There are differences between ESG and ESG CARES. The most notable difference for service providers is the income eligibility limit of 50% Area Median Income to receive or continue to receive homelessness prevention.

In addition, ACAM accepted the HUD waivers for the ESG Program summarized below:

1) Habitability Inspections (NOTE: NO WAIVER)

There is no waiver for habitability inspections. Inspections do not need to be done in person. It would be acceptable to implement strategies for conducting inspections virtually using a video connection (e.g., FaceTime). Although video is preferred, photographs may also be an acceptable way to conduct an inspection. The video or photographs may be taken by the property owner or the household applying for assistance. A Case Manager or other representative must be able to visually inspect evidence of the unit's condition and document compliance in the ESG program participant's file. Case Managers shall complete inspection form derived from the video, note the method of observation, and date. **The ESG Subrecipient should conduct full in-person ESG habitability inspections once it is safe to resume standard operating procedures.**

2) Re-Evaluation/Recertification Waiver (effective 4/5/20-3/31/2022)

Change re-evaluations from three to six months for homelessness prevention. HUD waived 24 CFR §576.401(b) which requires a re-evaluation of the Program Participant's eligibility and the types/amounts of assistance to occur not less than once every three months. With the waiver, re-evaluations for homelessness prevention will be required not less than once every six months. Waiving three-month re-evaluation requirement for homelessness prevention assistance is necessary to help program participants remain stable in housing during the economic uncertainty caused by COVID-19. This waiver applies to *eligible families entering the program* from April 5, 2020 to March 31, 2022.

3) Monthly In-Person Case Management Sessions Waiver (effective 4/5/20-5/31/20)

In Person Monthly case management suspended until June. HUD waived 24 CFR §567.401(e), which requires Program Participants to meet with a case manager not less than once per month, unless the Violence Against Women Act of 1994 or Family Violence Prevention and Services Act prohibits the shelter or housing being conditional on the Program Participant's acceptance of services. Waiving the monthly case management requirement until June will allow ESG Subrecipients to provide case management on an as-needed basis (*remote case management is allowable through 5/31/20*) and

**ESG CARES and HUD Waivers
ESG Homelessness Prevention Program Procedure Update**

reduce the possible spread and harm of COVID-19. This waiver is in effect from April 5, 2020, to May 31, 2020.

4) **Fair Market Rent – FMR Waiver** (effective **4/5/20-9/30/20**)

Waiver of Fair Market Rent (FMR) requirement. HUD waived 24 CFR §576.106(d)(1), which requires total gross rent to be equal or less than the FMR established by HUD. Moving people into permanent housing is especially critical to prevent COVID-19, and this waiver will assist providers to more quickly locate additional units to house persons experiencing homelessness. **The FMR waiver is only for households who execute a lease between 4/5/20 and 9/30/20.** (Please note that this will not be an FMR waiver for every household entering the program.) The rent reasonableness standard still applies. The FMR requirement is waived *eligible households entering the program from April 5, 2020, to September 30, 2020.*
