SUMMARY

Alliance of Community Assistance Ministries, Inc (“ACAM”) seeks additional qualified contractor(s) to assist ACAM in the installation of appropriate measures under the Homelessness Prevention Service grant (ESG-CARES) award from the Texas Department of Housing and Community Affairs (TDHCA) to prevent, prepare for, and respond to the coronavirus among individuals and families who are at risk of homelessness and to mitigate the impact created by coronavirus. Respondents must include the following required services:

I. Statement of Qualifications

A competent contractor will possess experience administering federally funded housing projects. Proposals must disclose past clients, types of programs administered, and résumés of all employees who might provide services under the winning contract.

II. Scope of Work

ACAM is a nonprofit organization that advances collaboration to create community-wide solutions for thriving nonprofits, neighborhoods, and families in Harris/Fort Bend/Montgomery counties. The Homelessness Prevention Program provides case management, financial and rental assistance, and other wraparound services to people that face imminent risk of eviction and lack the resources needed to remain stably housed. Proposers must describe tasks they would perform to comply with the above administrative duties.

III. Proposed Cost of Services

Your proposal must include your estimated cost for each activity identified in the Scope of Work. ACAM will not use lowest cost as the sole basis for selecting the best bid for this contract.

A. PURPOSE

The Alliance of Community Assistance Ministries, Inc. seeks vendor(s) to provide homelessness prevention services to families at imminent risk of homelessness. The Emergency Solutions Grant (ESG-CARES) Program [CFDA# 14.231](#) is funded by the United States Department of Housing and Urban Development (HUD) through the Texas Department of Housing and Community Affairs (TDHCA) Contract No. 44207000045. The objective of the Request for Proposal (RFP) process is to receive from each interested Homelessness Prevention vendor, a formal response to the Statement of Work (SOW) outlined in this RFP to identify the most qualified contractor(s) to provide homelessness prevention services including short- and medium-term tenant based rental assistance, financial assistance, and housing and relocation stabilization “case management” services to eligible families at imminent risk of homelessness. The submitted proposal will be used to evaluate each contractor’s experience, capabilities, and qualifications to provide services that meet the needs of at-risk families. Alliance of Community Assistance Ministries, Inc. (“ACAM”) is seeking vendor(s) that serve clients at imminent risk of homelessness and that provide rent and utility assistance coupled with housing stabilization services in the course of normal business within the Harris, Fort Bend,

Homelessness Prevention Services Request for Proposals (RFP)

and/or Montgomery Counties. The offerors must include 1) targets for the number of clients and estimated number of households it proposes to serve, 2) demonstrate capacity to assist families in achieving housing stability and 3) and satisfy the requirements as outlined in this RFP. Please review the RFP timeline. Responses to questions about the application process will be posted to ACAM's website on the release date (<https://acamweb.org/funding-vendor-opportunities/>).

The objective of this RFP is to locate contractor(s) that will provide the best overall value to ACAM. While price is a factor, other criteria will form the basis of the decision. ACAM reserves the right to amend, suspend, terminate, or reissue this RFP, in whole or in part, at any stage. In no event is ACAM liable to respondents for any cost or damages incurred in connection with the RFP process, including but not limited to, all costs of preparing a response to this RFP, or any other costs incurred in reliance on this RFP. No respondent shall be entitled to repayment from ACAM for any costs, expenses, or fees related to this RFP. All supporting documentation submitted in response to this RFP will become the property of ACAM. Respondents may also withdraw their interest in the RFP, in writing, at any point in time, as more information becomes known.

B. START DATE AND CONTRACT TERM

The Alliance of Community Assistance Ministries, Inc. (ACAM) hereby requests proposals from offerors to perform homelessness prevention services, as described in the RFP, for a one-year period, with the potential of being extended up to four (4) years. Contract(s) may be renewed for subsequent time periods by mutual written agreement not to exceed four (4) years. The 7-month period is expected to begin September 1, 2021 through March 31, 2022. Funding is available and contractors should be ready to commence work on September 1, 2021. We invite organizations to submit a proposal by Friday, August 6, 2021, by 12:00 pm, for consideration. Proposals will be held in confidence and not released in any manner until after the contract(s) are awarded. Payments on contract(s) will be made on a reimbursement basis. The contract amount agreed upon by ACAM and the respective contractor will provide compensation for services and allowable direct service expenses. A payment schedule will be negotiated with selected contractor(s). ACAM reserve the right to offer a contract award greater or less than the amount requested in the proposal.

C. GOALS

ACAM's goal is to serve an additional 85 to 114 people residing in Harris, Fort Bend, and/or Montgomery Counties with 88% stably housed at exit and 85% stably housed 3 months after exit. Offerors must submit a budget that indicates how funds will be spent on allowable services. The historical program cost per person during COVID response has ranged from \$3,201.41 to \$4,324.71. ACAM is seeking contractor(s) that can serve people residing in the area specified above. A cost per person that falls below this range will not benefit the application score. The selected contractors will demonstrate a capacity to:

**ESG CARES and HUD Waivers
ESG Homelessness Prevention Program Procedure Update**

Emergency Solutions Grant – CARES (ESG-CARES) – The Coronavirus Aid, Relief, and Economic Security Act of 2020 (CARES Act) provided for a supplemental appropriation of Homeless Assistance Grants under the Emergency Solutions Grant (ESG) as authorized by McKinney-Vento Homeless Assistance Act of 1987 (P.L. 100-77), as amended by the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 (P.L. 111-22) (42 U.S.C.S. §11371 et. seq.).

The CARES Act provides for allocations of homeless assistance funds to prevent, prepare for, and respond to Coronavirus, among individuals and families to support additional homelessness prevention activities to mitigate the impacts created by Coronavirus. There are differences between ESG and ESG CARES. The most notable difference for service providers is the income eligibility limit of 50% Area Median Income to receive or continue to receive homelessness prevention.

Below is a description of some of HUD Regulatory Waivers related to ESG Homelessness Prevention Services under the CARES Act. Further information can be found in the HUD Notice CPD-20-08 (9/1/2020), which can be found at <https://www.hud.gov/sites/dfiles/OCHCO/documents/20-08cpdn.pdf>.

- 1) **Habitability Inspections (NOTE: NO WAIVER):** There is no waiver for habitability inspections. Inspections do not need to be done in person. It would be acceptable to implement strategies for conducting inspections virtually using a video connection (e.g., FaceTime). Although video is preferred, photographs may also be an acceptable way to conduct an inspection. The video or photographs may be taken by the property owner or the household applying for assistance. A case manager or other representative must be able to visually inspect evidence of the unit's condition and document compliance in the ESG program participant's file. Case Managers shall complete the inspection form derived from the video, note the method of observation, and date. **The ESG contractor should conduct full in-person ESG habitability inspections once it is safe to resume standard operating procedures.** (Applies to both ESG & ESG CARES)
- 2) **Re-Evaluation/Recertification Waiver** (effective **4/5/20-3/31/2022**): Change re-evaluations from three to six months for homelessness prevention: HUD waived 24 CFR §576.401(b) which requires a re-evaluation of the Program Participant's eligibility and the types/amounts of assistance to occur not less than once every three (3) months. With the waiver, re-evaluations for homelessness prevention will be required not less than once every six (6) months. Waiving three-month re-evaluation requirement for homelessness prevention assistance is necessary to help program participants remain stable in housing during the economic uncertainty caused by COVID-19. This waiver applies to *eligible families entering the program from April 5, 2020 to March 31, 2022.* (Applies to both ESG & ESG CARES)
- 3) **Housing Stability Case Management.** Case management for homelessness prevention and rapid re-housing is not required. (a) While ESG CARES Subrecipients may offer case management, they may not require that the Program Participant receive case management. (b) HUD is making an across-the-board waiver of the ESG requirement in 24 CFR §576.401(e)(1) that housing stability case managers meet not less than once per month with each program participant receiving homelessness prevention or

ESG CARES and HUD Waivers
ESG Homelessness Prevention Program Procedure Update

rapid re-housing assistance, and this waiver is in effect until the end of the contract period. (Applies to ESG CARES only)

4) **Fair Market Rent – FMR Waiver:** Fair Market Rent (FMR) is waived, but rent reasonableness applies. (a) HUD has waived 24 CFR 576.106(d) that prohibits rental assistance where the rent for the unit exceeds the FMR, and this waiver is in effect until the end of the contract period. (b) The current HUD waiver in place was only for new leases, and the new waiver has no limitation on new or existing leases. (Applies to ESG CARES only)

5) **Short-Term and Medium-Term Rental Assistance:** (i) 24 CFR 576.106(a)(2), where medium-rent is defined as “for more than 3 months but not more than 24 months of rent” is waived and an alternative requirement is established where medium-term is established as for more than 3 months but not more than 12 months. This alternative requirement will allow more households to receive rapid re-housing and homelessness prevention assistance, which is necessary to prevent, prepare for, and respond to coronavirus. (ii) The requirement at 24 CFR 576.106(d) that prohibits rental assistance where the rent for the unit exceeds the Fair Market Rent established by HUD, as provided under 24 CFR Part 888, is waived so long as the rent complies with HUD’s standards of rent reasonableness, as established under 24 CFR 982.507. Waiving this requirement will allow recipients to help program participants move quickly into housing or retain their existing housing, which is especially critical at reducing the spread of coronavirus and responding to coronavirus. This waiver provides additional flexibility beyond the waiver made available to the ESG Program on March 31, 2020 and extended to ESGCV funds on May 22, 2020 by permitting ESG recipients to provide rental assistance for program participants, whose current rent exceeds FMR and by allowing recipients to use this waiver as needed throughout the period they are providing rental assistance to prevent, prepare for, and respond to coronavirus. (Applies to ESG CARES only)

(ESG Annual rental assistance can be up to 24 months in a 3-year period which includes a onetime payment of up to 6 months of arrears therefor, the months of arrears count toward the 24 months of rental assistance. For ESG CARES, rental assistance may be up to 12 months of rental assistance AND up to 6 months of rental arrears. For ESG CARES, the cap for rental assistance is separate from the cap of rental arrears.)

Program Type	Maximum Arrears (mos.)	Maximum Rent (mos.)	Maximum Total Months
ESG Annual	6	18-24 depending on mos. arrears applied to max. total	Combined maximum of 24 months (arrears plus rent payments)
ESG CARES	6	12 months max. regardless of the no. of arrears months	12-18 months (Each has their own cap. Arrears and rental months are NOT additive)
